Special Diet Tally (From Registration Forms)

Vegetarian ____ Vegan ____ Gluten Free ____

Class Choices: Our classes balance science education, hiking, team building, and exploration while teaching students in a holistic, hands-on fashion. All naturalists teach our curriculum while bringing their own teaching style to the class. All students will participate in our Naturalist 101 introductory class and Night Hike. More information and class descriptions can be found on our website at www.MissionSpringsOE.com/program-info

4-day programs: Choose **4 classes**

3-day programs: Choose **2 classes**

|--|--|
| <input type="checkbox"/> Wetland Ecology | <input type="checkbox"/> Sharks |
| <input type="checkbox"/> Kelp | <input type="checkbox"/> Monarch Butterflies (seasonal: Oct-Feb) |
| <input type="checkbox"/> Beach Game (Similar to "Steal the Bacon") | <input type="checkbox"/> Mole Crabs (Sept-Nov & Apr-June) |

What time will you depart from field trip or last class? _____ *Naturalists need to depart from field trip sites by 12:30pm*

Pre-trip Questionnaire

School name: _____ Dates attending: _____

Grade(s): _____

Please answer the following questions to give us some background information about your school and goals for your students' week at Mission Springs. This information helps us to provide the best week possible for your students.

Please provide a brief description of your school and your students' community:

What is the natural environment like near your school?

Do you know of any locally relevant environmental/natural resource issues occurring in your students' community?

Have your students participated in any other outdoor education programs? If so, which ones, and what was the focus of these trips?

Do you plan to do any activities to prepare your students for their outdoor education experience?
(Pre-curriculum activities are available online at www.MissionSpringsOE.com)

Do you plan on grading and/or collecting the student journals that we provide?

What are the most important learning outcomes from your trip to Mission Springs? (social, academic, physical, etc...)
